

CONFERENCE AND EXPO

17–19 April 2018, ALEXANDRA, NZ

FREE Irrigation Expo

17–19 APRIL, DUNSTAN HIGH SCHOOL

See the latest irrigation technology for free!

Join other irrigators to see the latest irrigation technology and services at this national expo featuring over 50 exhibitors. With many irrigators shifting from deemed permits to new consents, the expo will showcase new technology to help you use water more efficiently, save money and save time!

SMART SHOWCASE

To highlight the growing range of SMART technologies and services, the exhibition pavilion will host three shows over the course of the conference, each containing quick fire presentations from the exhibitors. These are also free to attend, so come and find out more about the exciting ways that technology and innovation are driving sustainable irrigation.
