

MEDIA KIT 2022/2023

About our publication

IrrigationNZ News is presently a 44 page self-covered magazine dedicated to topical information and expert advice on all issues associated with irrigation and freshwater management. This includes: technical advice, good management practice, scheme and community experiences, topical issues for irrigators, political perspectives, governance, central government and local body issues, news, views and case studies from throughout New Zealand.

MAGAZINE AIM

- Provide news and information on the challenges and opportunities facing water users across all sectors and throughout New Zealand.
- Add value for individual irrigators', scheme and irrigation industry businesses.
- Improve the general level of knowledge of good management practice by encouraging a culture of continuous improvement to contribute to positive economic, socio-cultural and environmental outcomes.
- Highlighting the value of irrigation to the wider economy and community of New Zealand.

DISTRIBUTION

Read by: IrrigationNZ membership, irrigation schemes, and those who irrigate across all sectors: arable, meat & wool, dairy, horticulture, viticulture and other. As well as industry, consultants, engineers, scientists, politicians, central and local government, education sector and students.

Published: Quarterly

Print run: Approximately 3,000

Distribution: To IrrigationNZ members, government officials, plus consent holders in the Canterbury region.
